

TO WHOM IT MAY CONCERN

This is to certify that **M/s InfraDev (Pvt) Ltd.** is our approved vendor for fabrication of steel storage tank with fabrication and installation of steel structure canopy at HPL's retail outlets.

They are working with us since last 2007. During this period, we have found them professional, dedicated and committed for execution of work with entire satisfaction under standards & specifications provided by the company.

They have established good workshop with complete coverage of international safety standards. We have not registered any incident so far against them.

Sincerely Yours,

25/4/2012
