Dear Ali,

Subject: - **Appreciation for Services**

M/s Infradev has worked with SKM Pakistan in the capacity of Under Ground Tank Fabricators for Shell Retail Development Projects since 2009.

Based on the recent assessment of your company's services for development of a retail outlet of Shell Pakistan in Karachi, we are happy to inform that the level of service extended was excellent which enables us to deliver our project within budget & schedule.

We also thank and appreciate the complimentary services provided by you in terms of slight alterations to underground tanks necessary for this project. Your company has worked closely with SKM Pakistan on Shell Retail Projects and the services rendered have always been satisfactory, timely and up to the mark.

We recommend Infradev to other clients and wish you success in all future endeavours.

Yours truly,

Adnan Akbar
